## Number Heroes Competition

**Bobby Seagull**

National Numeracy Ambassador  
and competition judge!

### Overview:

When you grow up, how will you use numbers in your life? Maybe you would love to do a cool job like a vet, teacher, engineer or footballer? Or do you dream of spending your days dancing, baking or saving the planet?

Create a picture of you doing your dream job or hobby and tell us how it uses numbers. Let your imagination run wild and win a fantastic prize for yourself and a prize bundle for your nursery, school or youth group.

### Prizes:

There are six categories. One winner in each category will win:

- A Number Heroes prize pack for your chosen nursery, school or youth/community group. Each prize pack is **worth at least £1,000** and contains all the **games, books and resources** needed to get everyone in your community feeling like a Number Hero!
- A **£50 gift voucher and certificate** for the child who created the winning entry.

Three runners-up in each category will win:

- A **£20 gift voucher and certificate** for the child who created the entry

The categories are:

### How to enter:

- 1 Use this sheet or grab a piece of paper.
- 2 Create a picture of yourself doing your dream job or hobby – you can draw, paint, collage, use a computer, or use any other way you'd like to create your picture!
- 3 Tell us how you will use numbers in your job or hobby.
- 4 Don't forget to add your first name, last initial and age for we can identify you if you win. (e.g. Bobby S, 9 years)
- 5 Ask a grown-up (e.g. parent, carer, teacher or group leader) to upload your picture through our online form. Entries must be submitted before 23:59 on 31 May 2022.
- 6 If you win we will contact the grown-up who submitted your entry before 23 June 2022.
- 7 In the meantime, why not share your entry on social media using #NationalNumeracyDay – we'd love to see and share them!

### Winning criteria:

Bobby Seagull will pick the winning entry based on:

**The most imaginative  
picture, showing great effort**

**The most creative  
uses for numbers**
