

VOLUNTEERING VISIT CHECKLIST

- ☐ The assembly deck is downloaded and videos working. Teachers know it's for 7-12 year olds only
- ☐ Teachers have read the class session lesson plan and have the lesson slide deck ready on a screen
- ☐ You have 5 or 6 big pieces of paper - one per table/group for class session
- ☐ You have print outs of each characters name, job and hobby (can print out slides) for class session
- ☐ You have marker pens/felt tips/colouring pencils for each table/group for class session
- ☐ Printed copies of our 'Maths Prompts/Answers' sheet for each group facilitator, including volunteer (found in the lesson plan)
- ☐ Print out copies of the individual activity sheet (this can be done as homework if no time) for class session
- ☐ The school office know the volunteers are coming and that they do not have DBS and need to be accompanied
