

# Domino animal

Family Maths  
Toolkit

Using 5 dominoes, can you make a dog shape where all the dots add up to 31?

Can you make a dog with the smallest number of dots possible? What does it add up to?

Can you use dominoes to design a house for your dog - what does it add up to?

Can you design a giraffe with 7 dominoes, add up the dots and challenge one of your family to make it?
